My name is Mali. I live in Bangkok. It's a city in Thailand.

There are a lot of cars, buses, trains, motorcycles, and taxis. Bangkok has special taxis.

Look at this one. It's called a tuk-tuk. It's very colorful. It's blue, yellow, and red. I go to school by tuk-tuk.

This is a taxi, too. It's a river taxi. Some people in Bangkok go to work by river taxi. And some people go to the market by river taxi, too. Are there river taxis in your city?
