Our Adventure Blog *by Lily, Josh and Ravi*

In this adventure, we take some bags to the blue room. In this room, there are more boxes on the floor and a photo of Luke on the floor. Luke is our dad. There's a computer on a chair, too. We hear a voice. There's a secret letter on the computer screen. We play together to break a code. Luke appears on the screen and we talk to him. Now we can read and watch an adventure blog together.
