	Skill	Language
Activity 1	Grammar	few/fewer/the fewest; little/less/the least
Activity 2	Spelling	silent b letters

Follow-up activity

Play the *Animal Alphabet* game with the children. Give groups a piece of paper. Ask them to write the alphabet vertically down the left side of the paper. Give groups a time limit to try and write down one animal beginning with each letter of the alphabet: e.g. *ant*, *beetle*, *cat*, *dog*, *elephant*, *fish*, *goat*, *horse*, etc. The group with the most animals (or letters) is the winner. After the game, get the class to discuss which letters have lots of animals and which letters have the least.
