

Unit 5

Lesson 1

My Toys

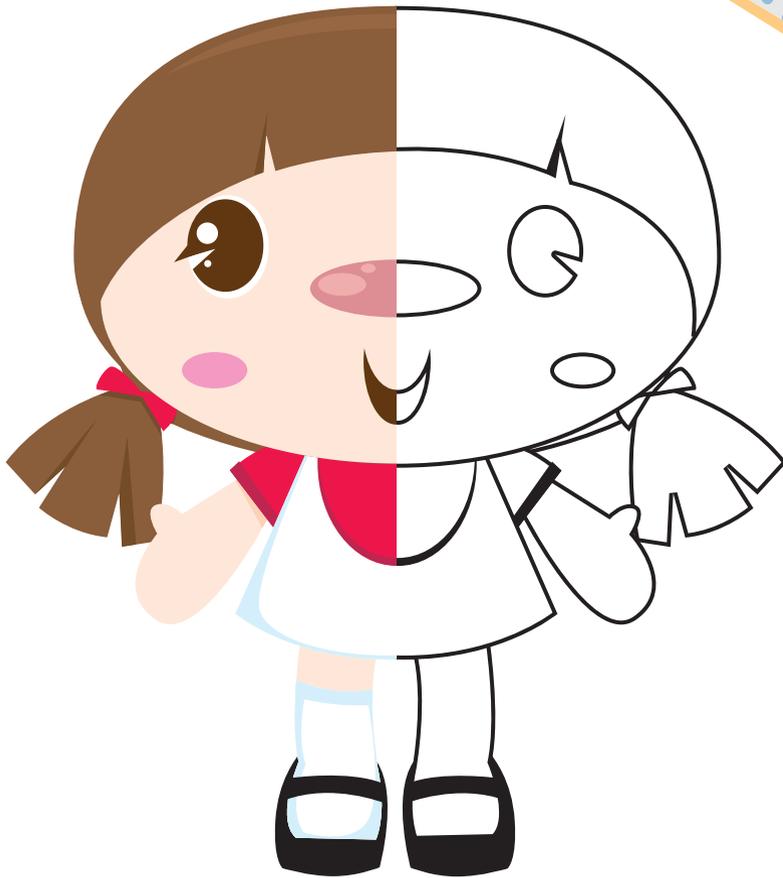

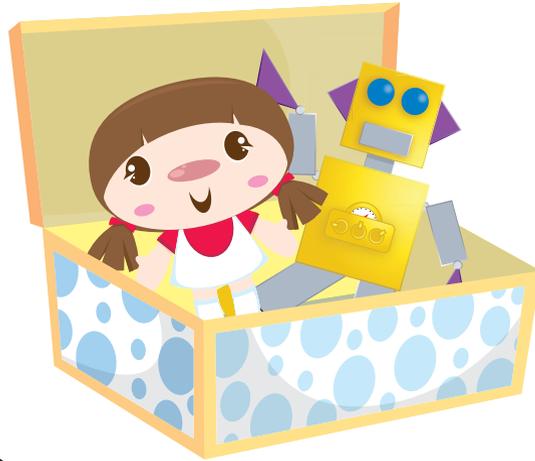

Listen to the song **My Toys**.

Sing the song.

Circle the toy when you hear its name.

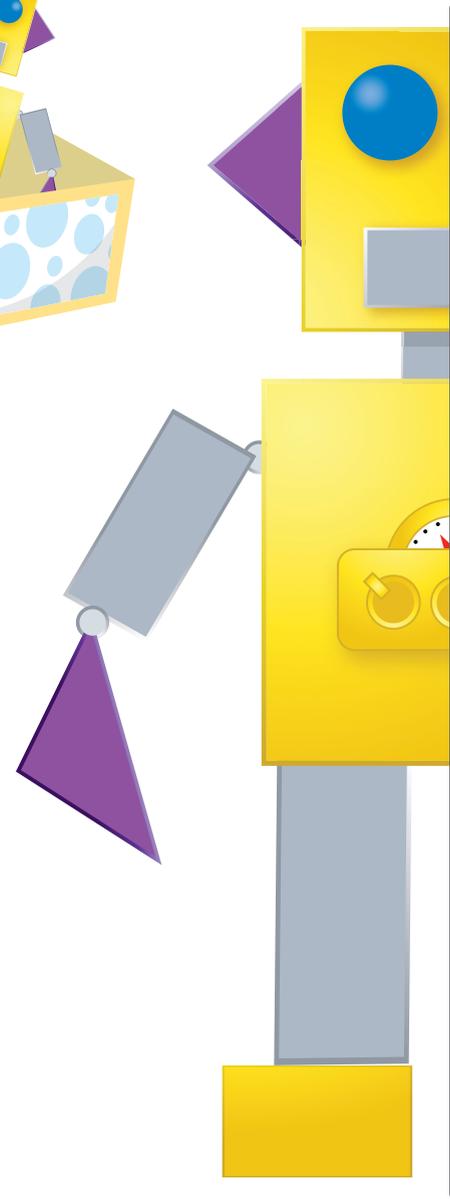

Lesson 2

Point to the toys in the box.
Say **The (robot) is in the box.**

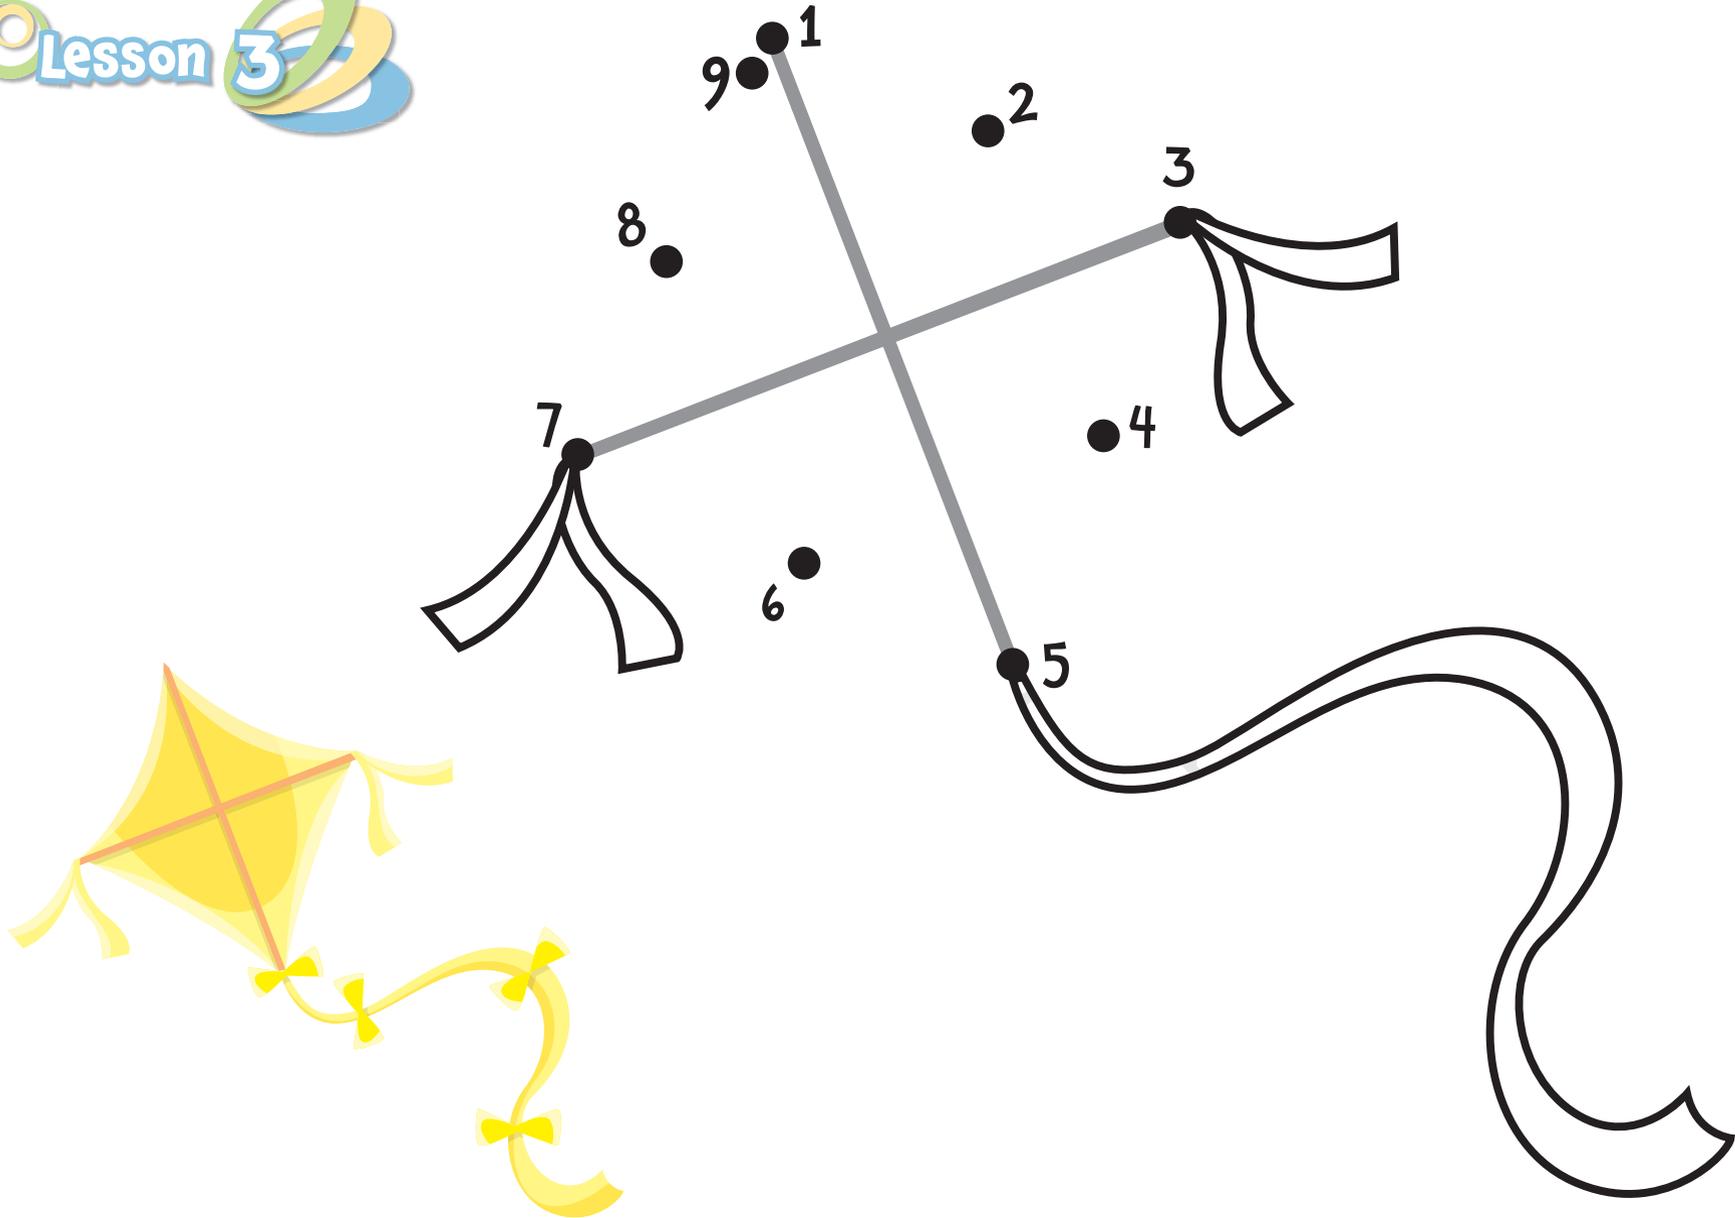

Color in the other half of the doll.
Use the correct colors.

Draw the other half of the robot.

Lesson 3

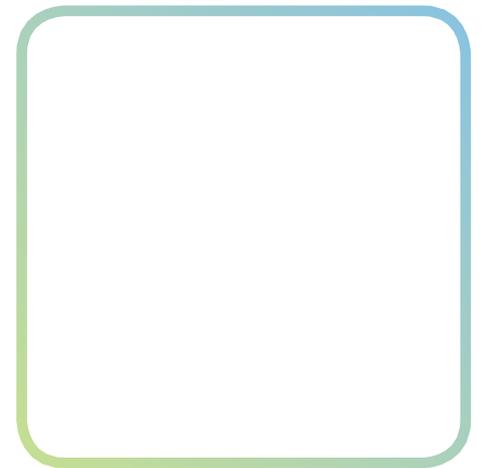

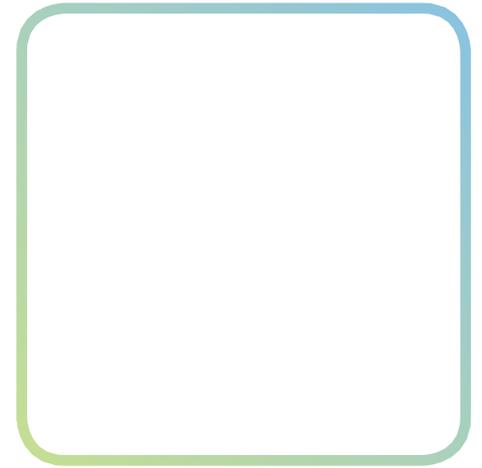

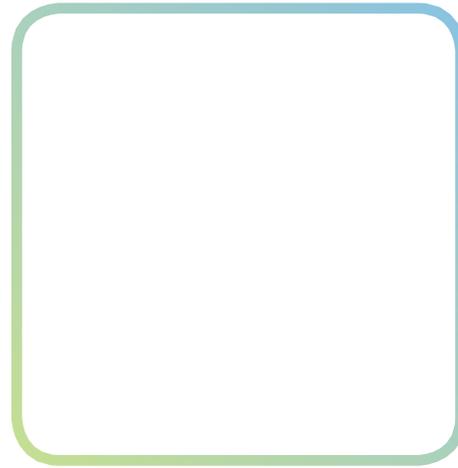

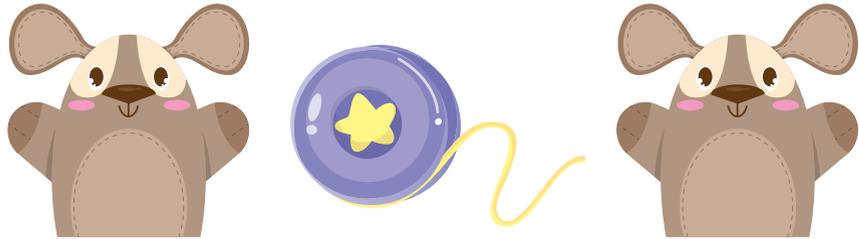

Join the dots to draw a kite.

Color the kite yellow.

Paste ribbon on the kite's tail.

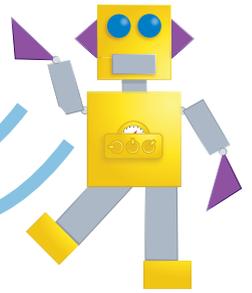

Lesson 4

Draw the correct toys to complete the patterns.

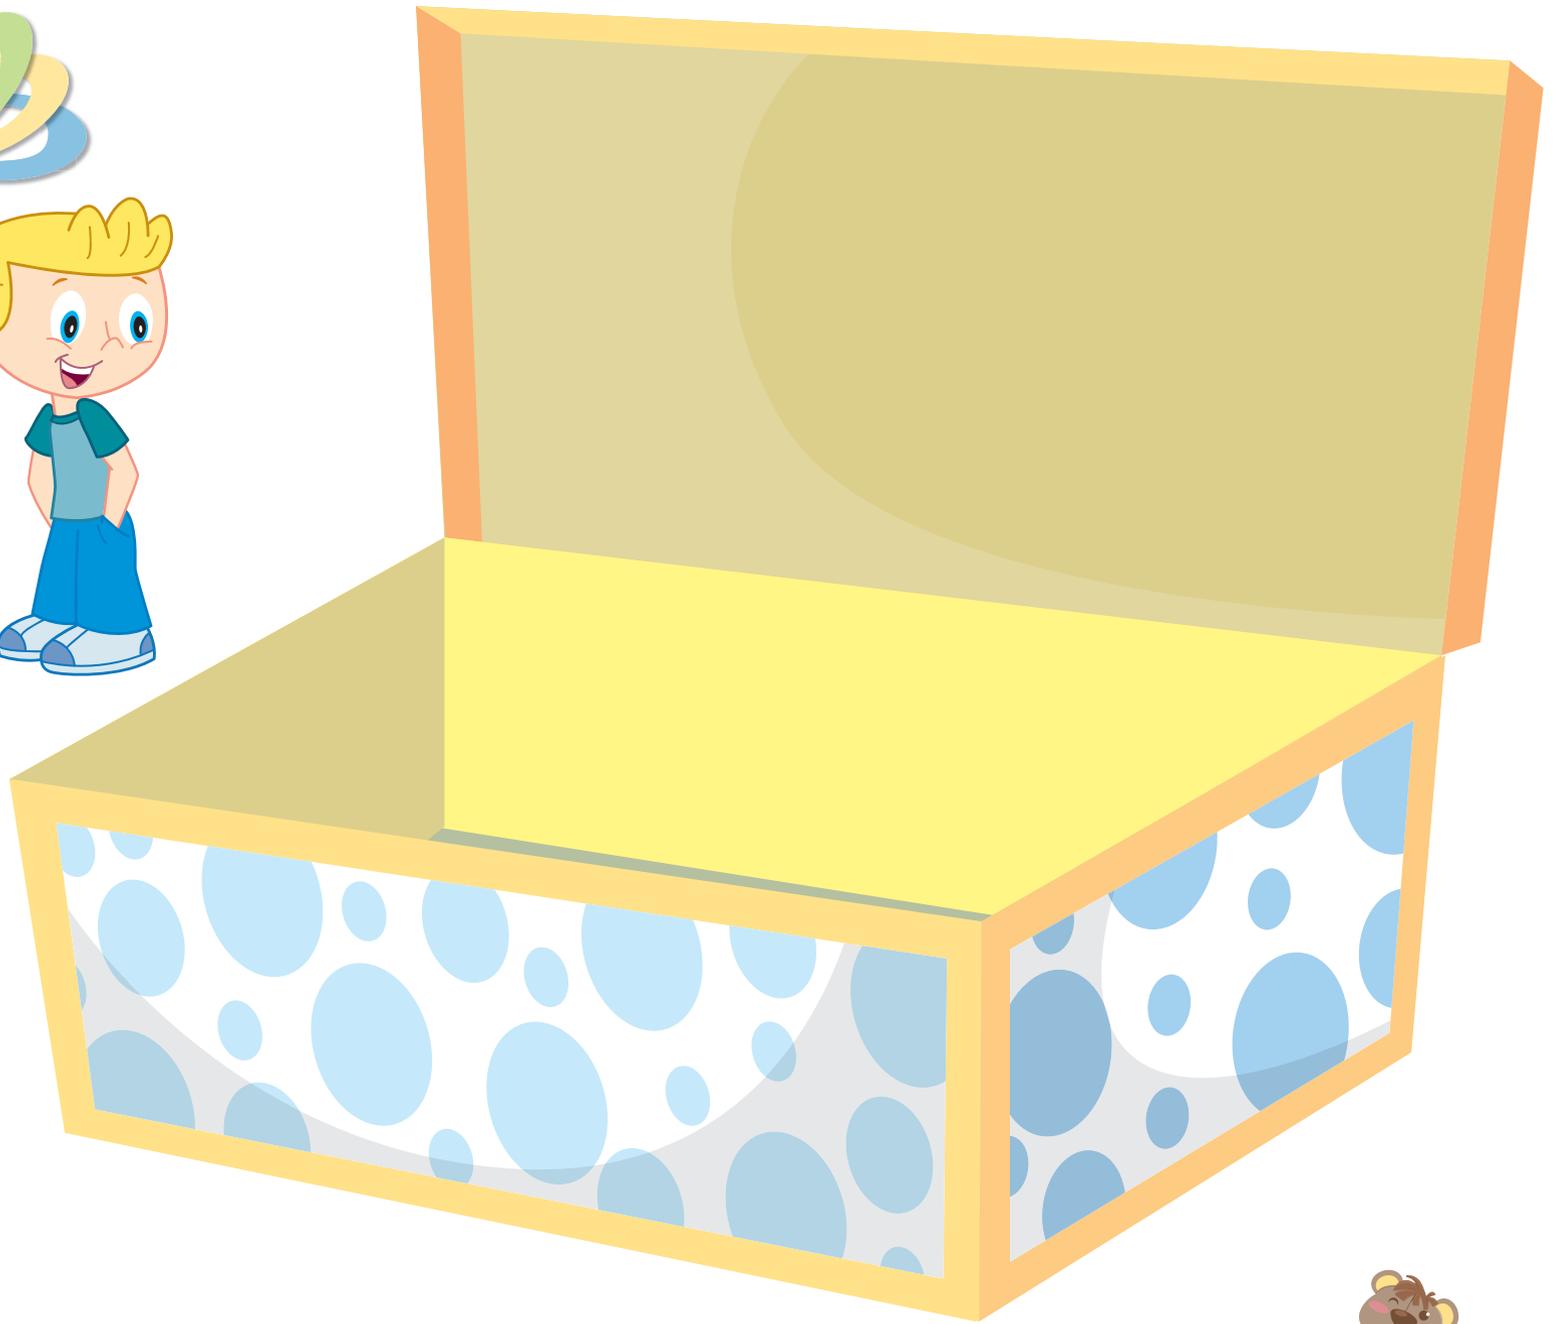

Lesson 5

Find paths through the maze to join each toy to the correct box.

Point to each toy in a box. Say **The (doll) is in the box.**

Lesson 6

Listen to the dialogues.

Paste the cut-outs from page 113 to complete the picture.

Lesson 7

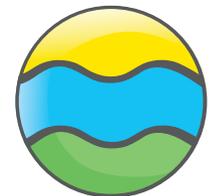

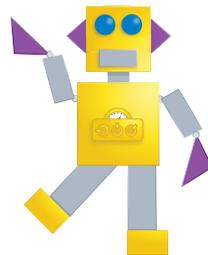

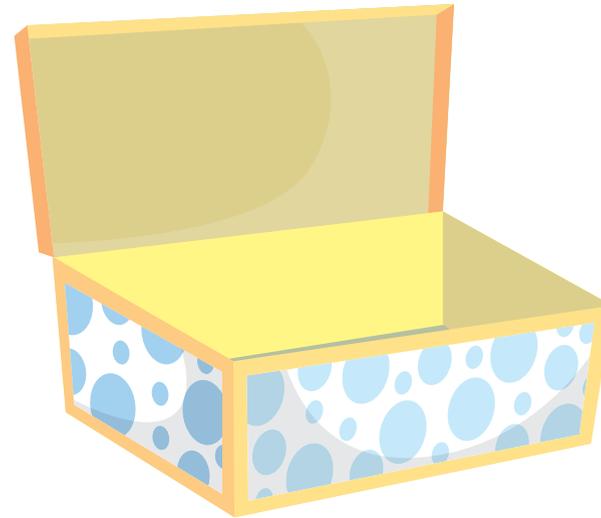

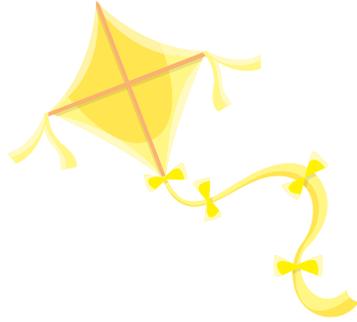

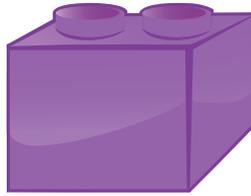

Look at the pictures. Say the name of the toy.

Write the numbers one to four in the boxes to put the story in order.

Lesson 8

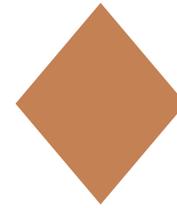

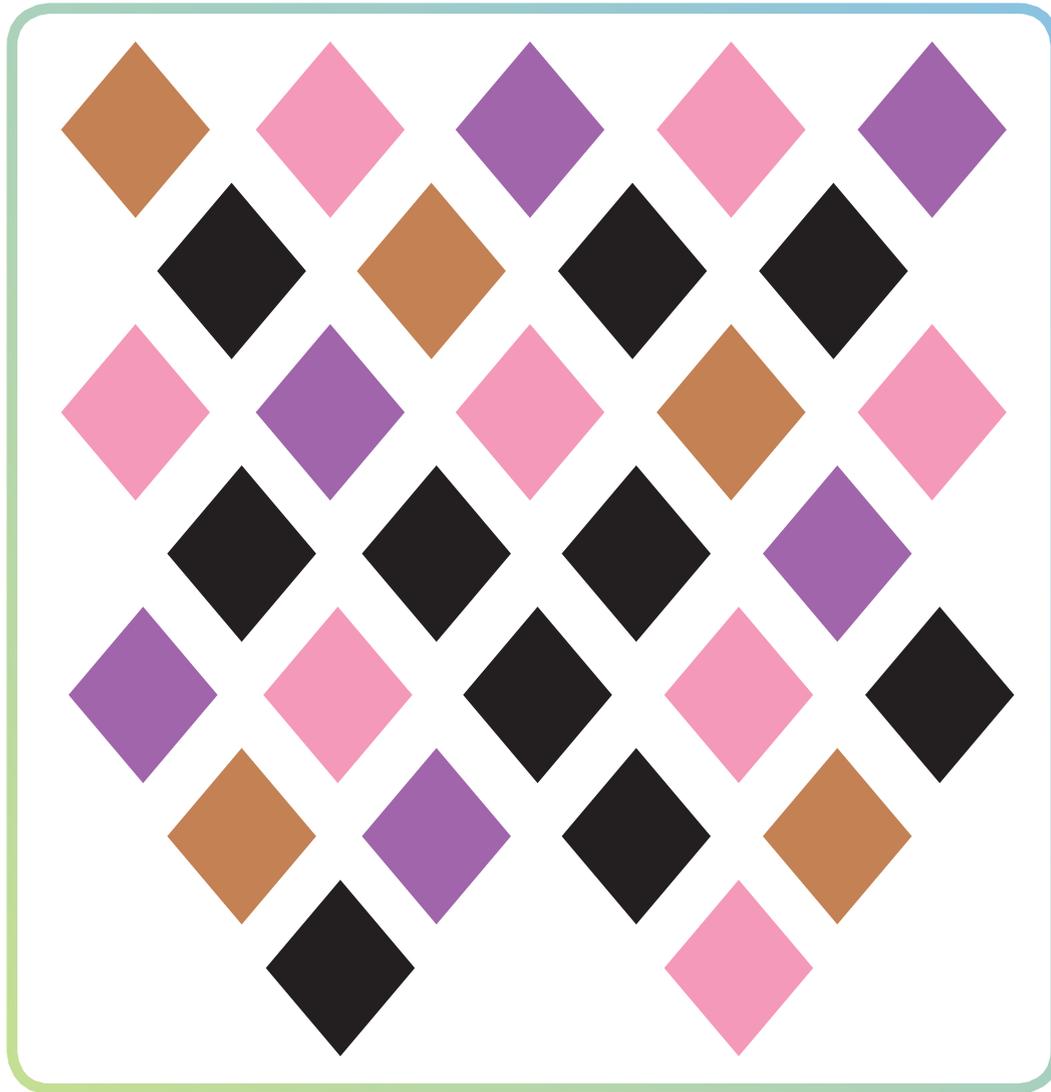

Sing the song **My Toys**.

Draw a line from each toy to the box to tidy up. Say **The (ball) is in the box**.

Lesson 9

5

7

6

1

3

8

7

9

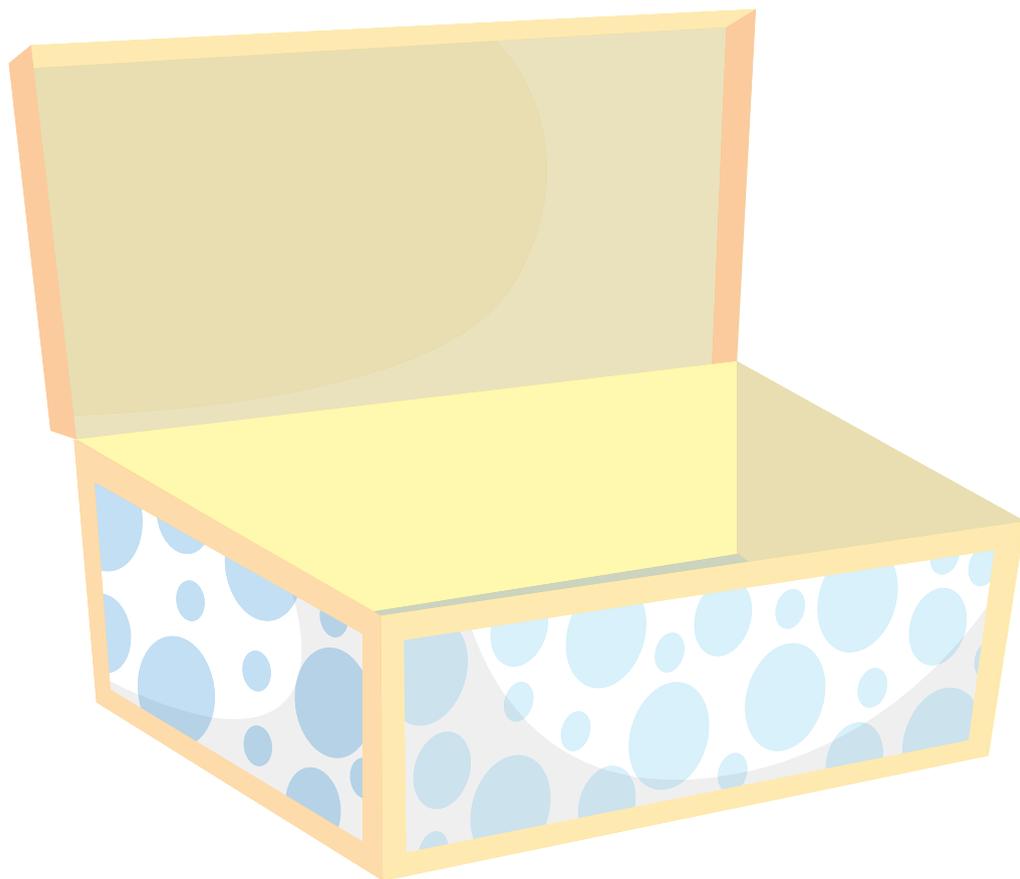

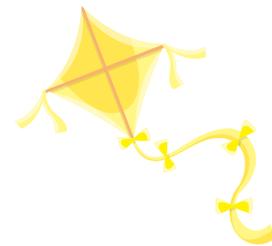

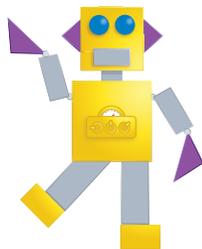

10

Count the brown diamonds. Circle the correct number.
Say **five brown diamonds**.

Do the same for the purple, pink, and black diamonds.

Lesson 10

Point to the toys at the top of the page.
Say their names.

Draw some toys in the box
and some toys on the table.

Point to the pictures. Say **The (doll)**
is (in the box).
