

Culture Grid

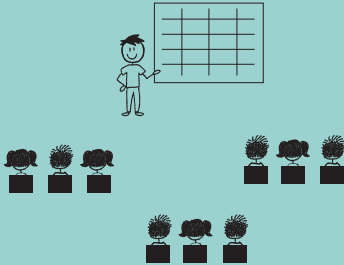

1. Make a grid on the board.

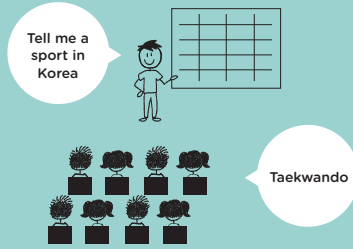

2. Write countries along the top and categories down the side.

	Iceland	Argentina	South Korea
Food			
Clothes			
Celebrations			
Sport			

3. Put students into groups to complete.

4. Collate results as a class, discuss differences.

Teacher Tip

- Encourage students to use the internet or English library books.
- Ask students to provide country names and categories.

I can understand different cultures. Can you?
