

Topic: **Art is life and life is art**

TASK 1

Check how much you remember from the lesson. Do this quick quiz on art styles and discover more paintings from different art movements.

Click on the following link and do the quiz:

TASK 2

Turn your art into a game. Choose three paintings you like and make a video recording about the one that is your favourite. Share the video and the links to the three paintings with your classmates. Let them guess which painting you're describing. Remember to include in the video answers to the following questions.

- What can you see in the painting?
- What's the first word that comes to mind when you look at it?
- How does the painting make you feel?
- What does the painting remind you of?
- Does the painting have a title? If so, does this affect how you see the painting?
- Who was the artist?
- Do you think the artist is trying to tell us something in the painting?

TASK 3

When were these pieces of art created? Click on the link and put them in the correct chronological order.

TASK 4

Do you remember the modern copy of a painting with a woman with oranges? Choose a painting you like and have a go at recreating it. Use only modern things that you have in your house. Take a photo of your final masterpiece and bring it to the next class or share with your classmates.

For inspiration take a look at different modern interpretations of classical pieces of art:
