7 Project

Plan a dinner for one of the people in Exercise 6. Use the information you have learnt about ingredients and meal planning and use the Internet to search for ideas. Make sure you do the following:

- Include a starter, main course, side dish and dessert.
- Choose suitable ingredients for the person.
- Make sure the meal is balanced and uses seasonal ingredients.
- Try to make the meal varied, natural and colourful.
- Make it value for money.
