5 Project

Work in pairs. You’re going to act out an interview with one of the female explorers you have read about. First, decide which person you would like to interview. Then do some more research about their life and travels using the suggested websites in Exercise 3. Finally, prepare some answers to these questions:

- If you could go back in time, which country would you visit?
- If you could live your life again, what would you do differently?
- What do you wish you had known/done/not done?
- Where do you wish you had been able to travel to?
- What was the hardest/easiest/most exciting experience/challenge you had?
- What advice would you give to today’s explorers?
