

## RECOMMENDED READERS

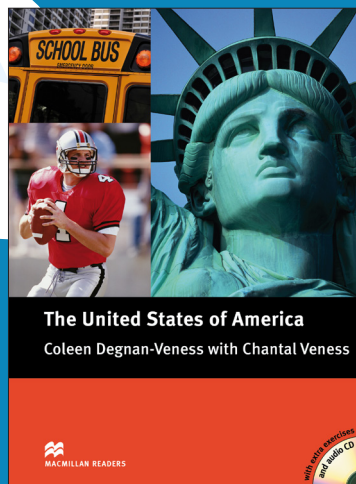

# BEYOND for SWITZERLAND

This list of *Macmillan Readers* has been specifically selected as recommended supplementary reading material to be used alongside *Beyond for Switzerland*. They can be purchased via any bookshops in Switzerland.

The following *Macmillan Cultural Readers* can be used along the entire *Beyond for Switzerland* series to add cultural information on various topics, such as Food, Music, Sports, Geography, Society, History etc.

England 9781380040992

The United States of America 9781380041029

But how do you encourage your teenage students to read? And what type of activities can make reading fun?

For general ideas on how to use readers in the classroom or as extensive reading material, please download and read our guide, *Using Graded Readers in the Classroom*.

**Start your own book club** – With the help of these book club worksheets all students get a chance to read, write and talk about their favourite books. It is a great way to encourage students to read in class as well as at home.

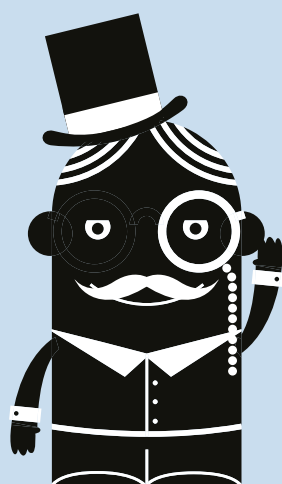

**Drama in the classroom** – Ever wanted to put on a play with your class? We have developed a series of guides to help you use drama activities.

**Creative Writing activities** – Having the ability to think creatively is an important life skill...and it is fun, too! These activities on how to think and write more creatively are suitable for class projects and individual students.

To download various worksheets, just click on each title.
