

The easy way
to learn online

Introducing Macmillan Practice Online

Macmillan
Practice Online
is the easy way
to offer your
students
all the benefits of
online learning

Whether you work for an institution, with large groups of students or one-to-one, **Macmillan Practice Online** is designed to give you the tools to teach on your terms, whenever and wherever you want. And with **over 70 courses to choose from** at all competence levels, ranging from **Business English** to **Exam Practice** and from **Academic** to **General English**, you're sure to find the perfect one for your students.

Macmillan Practice Online can help you to:

Manage your students and classes online

Observe your students' performance, monitor their homework and see where they need more practice. Get an overview of your students' results and send your class instant feedback.

Keep your records straight

Whenever you need an update on your students' progress, just print out our ready-to-use reports.

Make sure your students are using the best materials

With Macmillan Practice Online you're guaranteed quality activities. We've been doing this for over 15 years, so you're in safe hands.

It can help your students to:

Learn whenever, wherever they want

Macmillan Practice Online is **100% web-based**, so students can log in at school, at work or from their sofa.

Stay motivated

Students will enjoy engaging content, a fresh design and automatically updated reports to see how they're doing.

Keep in touch with you

Our *Markbook* means you always know how your students are doing, and the messaging system lets you **communicate anytime you need**.

How does it work?

Macmillan Practice Online is really easy to use, and getting started only takes a minute.

STEP 1

Register for free

Visit **www.macmillanpracticeonline.com** and click on 'Teacher Registration'.

Complete the registration form, agree to the terms and conditions and click 'Register and activate code'.

STEP 2

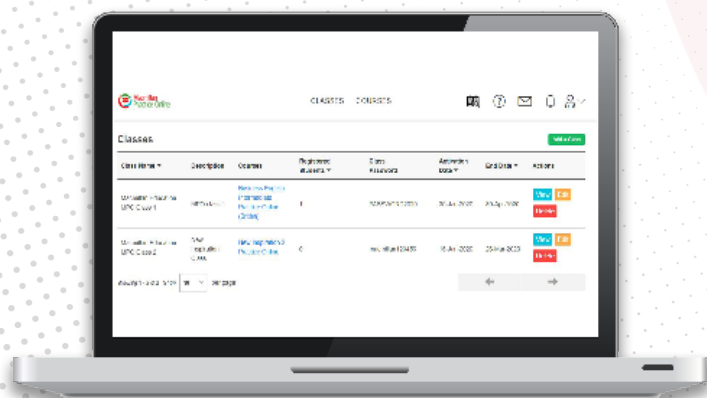

Set up a class

Welcome to your Macmillan Practice Online homepage!

Click 'Add a class' to create your first class.

Enter your class name and description and set the class start and end date.

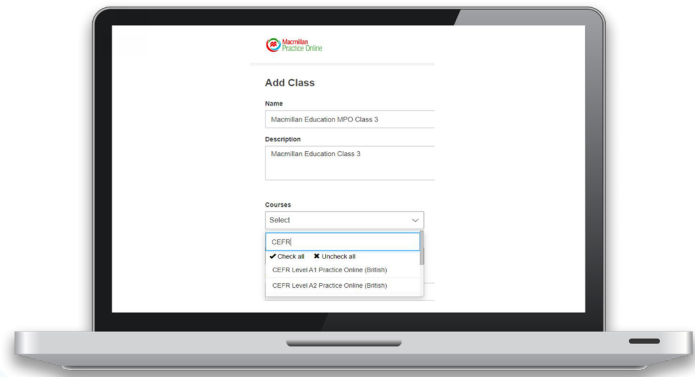

Choose the class password and confirm the number of students who will be joining your class.

STEP 3

Choose a course and assign it to your class

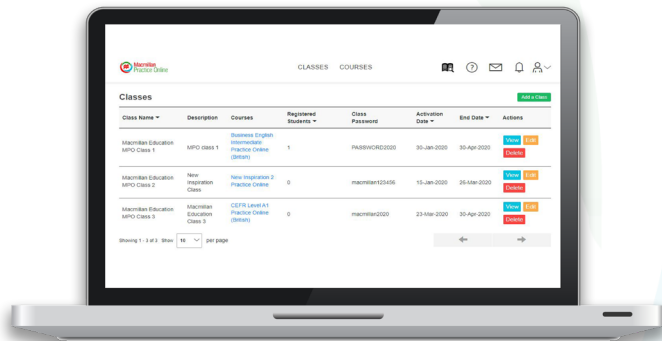

Select the course or courses from the drop down menu.

STEP 4

Ask your students to join your class

Share the class password with your students. Ask them to register or log in, activate their code and join the class.

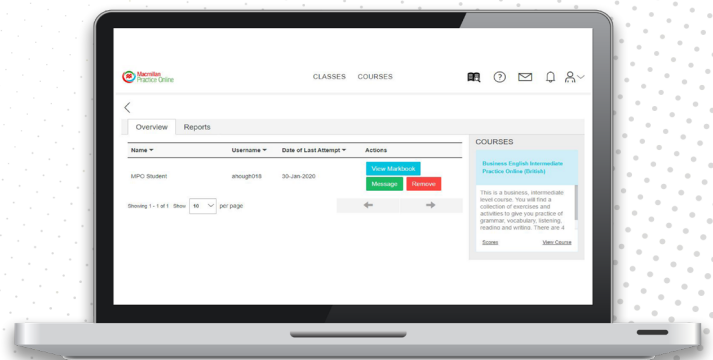

STEP 5

You're ready to go!

Now you can keep track of how your students are doing through their *Markbook*, and easily exchange messages with them.

You can see the activities in their courses to use them in class or try them out yourself.

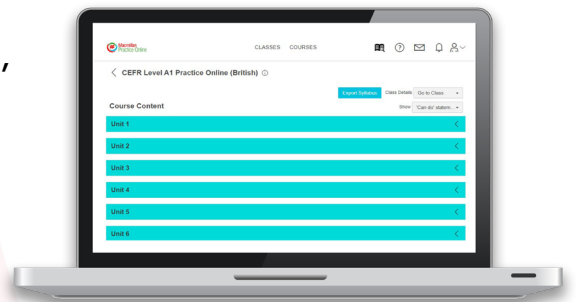

Find the course for your students

General English Practice Online

Our General English courses follow the Council of Europe Framework of Reference (CEFR), so you can easily integrate them with any CEFR-mapped coursebook or use them on their own for general supplementary practice.

Available from beginner (A1) to advanced (C2) in British English, they include **up to 250 interactive activities** each, from listening, pronunciation and vocabulary activities.

PERFECT TO:

- ✓ Get extra practice to accompany any CEFR-mapped coursebook
- ✓ Work on all four language skills
- ✓ Improve understanding of spoken and written English
- ✓ Develop vocabulary and fluency

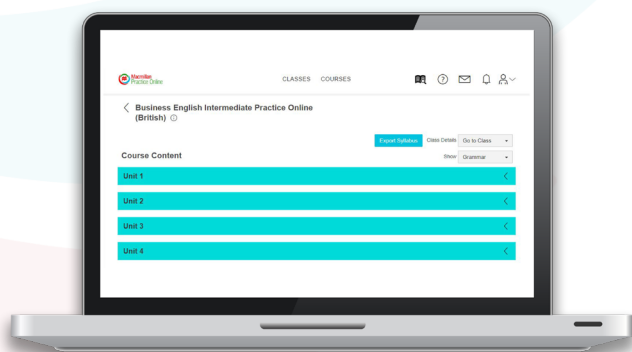

Business English Practice Online

Business English Practice Online courses are

ideal for busy professional students,

who need to develop their working English skills quickly and with the flexibility of 24/7 web-based access.

Covering key, real-life business contexts and tasks, from meetings to emails and from job applications to appraisals, the courses are available at Elementary to Advanced level in British or American English.

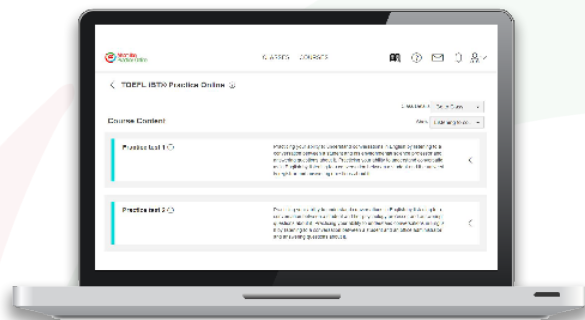

PERFECT TO:

- ✓ Complement any business English coursebook
- ✓ Learn business-specific vocabulary and expressions
- ✓ Develop practical language to liaise with colleagues and customers
- ✓ Improve English both in and out of the office

Exam Practice Online

Give your students the extra practice they need to succeed in their exams: written by examiners, our courses are carefully designed, to reflect the real exam papers, improving your students' confidence and performance.

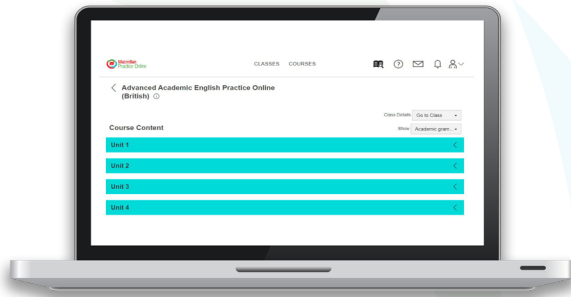

PERFECT TO:

- ✓ Practise the language and skills that will be tested in the exam
- ✓ Understand the exam format
- ✓ Develop effective strategies to navigate the test
- ✓ Boost students' confidence

Macmillan Exam Practice Online courses cover Cambridge English exams, TOEIC® and TOEFL®, and include over 100 activities in each course.

Academic English Practice Online

Our courses are designed to help them do just that through a wealth of academic reading, listening and grammar activities.

Students of English for Academic purposes need to develop not only a high level of linguistic competence, but also advanced academic skills.

Students practise study skills like note-taking and critical reading, while working on their English. And with our unique University Culture section, included in each course, they are introduced to practical aspects of university life.

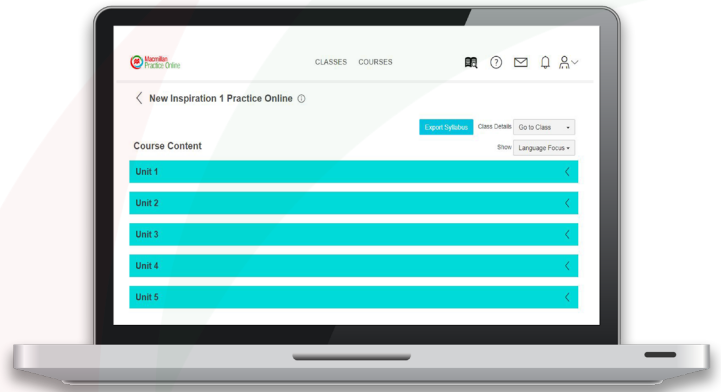

PERFECT TO:

- ✓ Integrate language learning with academic and cultural development
- ✓ Work on study skills
- ✓ Become familiar with university life
- ✓ Prepare for IELTS and TOEFL® exams

Coursebook Practice Online

Macmillan Practice Online offers you supplementary resources for our best selling titles, including Open Mind, Gateway, New Inspiration and New Inside Out series. All courses are designed to mirror the units in the books, so integrating online practice in your classroom is easier than ever before.

PERFECT TO:

- ✓ Add the benefits of online practice to your Macmillan coursebook
- ✓ Use with mixed-ability classes and address each student's needs
- ✓ Offer extra materials to the most motivated students
- ✓ Set as homework
