4 TEEN DAYS OUT IN THE UK

Are you looking for something different to do this weekend? Here are some messages from teens.

CADBURY WORLD

RATING 😊😊😊 Daisy, 14

I usually do the shopping with my mother on Saturdays, but this Saturday, we aren't at the supermarket. We're buying chocolate at Cadbury World! Cadbury World is a self-guided exhibition tour. It's got the world's biggest Cadbury shop, a 4D cinema, a tropical rainforest with cocoa trees, interactive games and much more. The 4D cinema is the best bit. The seats move. It's great!

BLACKPOOL PLEASURE BEACH

RATING 😊😊😊😊 Jack, 13

I often go to theme parks with my friends and right now we're at Blackpool Pleasure Beach. We're having a lot of fun. Our favourite attraction is the rollercoaster ICON. It lasts two-and-a-half minutes and it goes at 130 kilometres an hour – that's fast! We come to this theme park every year because there's lots to do. And after the park, we always go to the beach. It's only a few minutes away.

THE EDINBURGH GHOST TOUR

RATING 😊😊 Anna, 15

My friends and I love horror films, so here we are – on an Edinburgh ghost tour. Edinburgh is a very old city. Its past is dark and mysterious, and there are a lot of ghost stories. We're in an old tower now and our guide is telling us ghost stories and making lots of funny faces. Actually, the tour isn't scary at all but we're enjoying it.

NATIONAL SPACE CENTRE

RATING 😊😊😊 Daniel, 14

I don't usually go to museums, but right now we're visiting a museum with our science teacher. It's the National Space Centre and it's brilliant! I'm actually experiencing life in space. I hate museums but this one is fun because you can try a lot of machines. Do you like adventure? Are you interested in space exploration? Then this is the place for you!

HYBRID SPORTS

Do you want to do or watch something different in your free time? 17-year-old Jane Harrison tells us about hybrid sports.

REPORTER Jane, first of all, what's a hybrid sport?

JANE A hybrid sport is the combination of two or more sports. Bossaball, chessboxing and artistic swimming are all hybrid sports.

REPORTER So, tell us about them. What is Bossaball?

JANE Bossaball mixes volleyball, football and dancing. The term bossaball comes from the Brazilian music style 'bossa nova' and volleyball.

REPORTER Does this sport really exist?

JANE Yes, it does! You play on an inflatable court and you can touch the ball with any part of your body.

REPORTER Sounds fun. And what's chessboxing?

JANE Well, in this sport, competitors play a 24-minute game of chess and stop five times during the game to fight each other.

REPORTER That's challenging! And artistic swimming?

JANE This is probably the most famous hybrid sport because it is an Olympic sport. Competitors perform gymnastics and dance to music while they swim.

REPORTER Do you practise any hybrid sports?

JANE I love playing volleyball and listening to music, so Bossaball is an ideal sport for me. I enjoy playing it with my friends.

REPORTER Do you want to try chessboxing?

JANE I don't mind playing chess but I hate boxing! Chessboxing is very useful because it trains both the brain and the body. A lot of girls practise it, especially in India, but definitely it's not for me.

REPORTER And how about artistic swimming?

JANE Well, I enjoy swimming, so I can try it one day. In fact, I like watching artistic swimming at Olympic events.
