A PLANE THAT COULD FLY FOREVER

This article is about an explorer who is building planes that use energy.

Jess thinks it’s a great story because Piccard is trying to fly without any fuel.

For Jess, the best part is when the pilot is trying to fly in Belgium.

Callum would like to find out more about what the plane is.

Jess thinks it’s interesting that the plane had more energy when it landed than when it took off.

Jess would recommend this to Tom because he likes articles about science.
