Global English Facts

English is the first or second language for more than **500 million people** in the world.

English is an official language in **more than 50 countries**.

The language with the **most speakers** in the world is Mandarin Chinese. Other languages with a lot of speakers are English and Spanish.

Many English words are not new to English students. There are three reasons for this:

- There are many **international words** in English. These words are the same in many different languages. *Doctor* and *radio* are international words.
- Many English words are similar in other languages. *Policia* (Spanish), *polizei* (German), *police* (French), *polizia* (Italian) and *police* (English) are cognates.
- People know a lot of English because they are connected to the world of **music, travel, business, fashion** or **computers**. For example, *email*, *hotel*.
