If he/she lands on a square with a topic, he/she has to speak on the topic for 30 seconds. One of the other students should time him/her. If the other students do not understand, or if the student is unable to say anything at all, he/she should return to the previous square. 4 If the student lands on a "go back" square, he/she should return to where he/she came from. If he/she lands on a "go forward" square, he/she should roll the die again, and go forward. He/she then speaks on the topic on that square. 5 The student who gets to the finish first is the winner.
