Activity 2	Vocabulary	collective nouns – complete the sentences
Activity 3	Grammar	reported speech – correct the errors
Activity 4	Grammar	reported speech – have/had ; will/would

Follow-up activity

Challenge groups to list as many collective nouns as possible. If they have access to the internet, or resource materials, encourage them to find new examples. Get groups to choose their five favourite collective nouns. Give each group a piece of poster paper and get them to write their five nouns in sentences and add illustrations.

Groups can use the poster to support an oral presentation of their collective nouns, or they can be displayed around the classroom for other students to read.
