	Content	Let's investigate!
The Science Investigator		
Unit 1 Living things	<ul style="list-style-type: none"> • What are living things? • The life processes of living things • Cells • How are living things organised? • How are living things classified? • Reading: The Science Investigators – A bad smell! • Writing: Science Investigators' report – A living thing 	<ul style="list-style-type: none"> • Respiration
Unit 2 The Plant Kingdom	<ul style="list-style-type: none"> • Plants • What are the characteristics of plants? • What do different parts of plants do? • Plant nutrition • Flowering plant reproduction • Reading: Amazing Science – Seeds • Writing: Science Investigators' report – A plant 	<ul style="list-style-type: none"> • Plant interaction • Asexual reproduction
Unit 3 The Animal Kingdom	<ul style="list-style-type: none"> • Vertebrates • Invertebrates • Animal nutrition • Animal reproduction • What are animal adaptations? • Reading: The Science Investigators – A surprise in the garden • Writing: Science Investigators' report – An animal fact file 	<ul style="list-style-type: none"> • Animal respiration
Unit 4 The human body	<ul style="list-style-type: none"> • Being healthy • The digestive system • The excretory system • The respiratory system • The circulatory system • The heart • Reading: Amazing Science – Viruses • Writing: Science Investigators' presentation – A famous scientist 	<ul style="list-style-type: none"> • Heart rate and exercise
Units 1–4 Review	<ul style="list-style-type: none"> • Science Investigators' Definitions • Science Investigator's Challenge 	
Unit 5 Matter	<ul style="list-style-type: none"> • The three states of matter • What is matter? • What is a physical change? • What is a chemical change? • Mixtures • Reading: The Science Investigators – The three Rs • Writing: Science Investigators' report – Recycling 	<ul style="list-style-type: none"> • Chemical change • Mass and volume
Unit 6 The Earth	<ul style="list-style-type: none"> • The blue planet • The three layers of the Earth • What is the atmosphere? • What is the geosphere? • What are rocks and minerals? • What is the hydrosphere? • Reading: Amazing Science – Water • Writing: Science Investigators' report – Water I use 	<ul style="list-style-type: none"> • How to clean water

	Content	Let's investigate!
Unit 7 Climate and the weather	<ul style="list-style-type: none"> • World climate • What can influence climate? • Climate zones of Spain • Extreme weather and natural disasters • Wild weather • Climate change • Reading: The Science Investigators – The school trip • Writing: Science Investigators' report – A weather forecast 	<ul style="list-style-type: none"> • How green are you?
Unit 8 Landscapes	<ul style="list-style-type: none"> • Different landscapes • Landforms • Volcanoes • Earthquakes • Reading: Amazing Science – National Parks • Writing: Science Investigators' presentation – National Parks 	<ul style="list-style-type: none"> • How landforms are made
Units 5–8 Review	<ul style="list-style-type: none"> • Science Investigators' Definitions • Science Investigator's Challenge 	
Unit 9 Population	<ul style="list-style-type: none"> • What is population? • Our changing population • Rural and urban populations • Spain's population • Reading: The Science Investigators – E-pal • Writing: Science Investigators' report – Where I live 	<ul style="list-style-type: none"> • Statistics
Unit 10 Work	<ul style="list-style-type: none"> • Economic sectors • The primary sector • The secondary sector • The tertiary sector • Tourism • Reading: Amazing Science – Volunteering • Writing: Science Investigators' report – Jobs 	
Unit 11 Early history	<ul style="list-style-type: none"> • Prehistory and ancient history • The Palaeolithic period • The Neolithic period • The ancient civilisations • The Ancient World in Spain • The Romans in Spain • Reading: The Science Investigators – At the history museum • Writing: Science Investigators' report – A visit to a museum 	
Unit 12 The Middle Ages	<ul style="list-style-type: none"> • Medieval civilisations • The fall of the Roman Empire • Al-Andalus • The unification of Spain • Medieval society • Medieval cities • Reading: Amazing Science – Life in medieval times • Writing: Science Investigators' project – A medieval board game 	
Units 9–12 Review	<ul style="list-style-type: none"> • Science Investigators' Definitions • Science Investigator's Challenge
