My day at Disneyland®
We went to Disneyland in California! It was great.
In the morning, we walked through the theme park to Sleeping Beauty’s castle and we met real Disney characters inside.
We walked to the lake and took a pirate boat ride across the water to the island.
At lunch time, we took the train around the park and stopped at a restaurant.
Then, we went on a boat ride in the theme park.
In the afternoon, we watched a show at the theatre and we saw Mickey Mouse and our favourite Disney characters singing and dancing.
At the end of the day, we went to the shops on Main Street and I bought a cute Disney toy.
Disneyland’s motto is “The happiest place on Earth,” and it’s true! We didn’t want to leave.
