

# What's That Sound?

1

It was hot and sunny yesterday. Cliff and Mary were not at home.

They were in Jungle Land with their aunt, Peggy.

'Isn't the **jungle** amazing?' Aunt Peggy asked.

'Yes! There are so many plants and trees,' Mary said.

'I want to see some animals too,' Cliff said.

Cliff and Mary were excited. There were lots of animals!

2

*Click, click, click!*

'What was that?' Mary asked.

'Was it a **dolphin**?' Cliff asked.

'Dolphins don't live in the jungle.

They live in the ocean,' Aunt Peggy said.

*Grumph, grumph, grumph!*

'Was it a **camel**? Where do camels live?' Cliff asked.

'No! Camels don't live in the jungle.

They live in the desert,' Aunt Peggy said.

Roar! Roar! Roar!

'Listen! That was a bear,'  
Mary said.

'Really?' Cliff asked. 'Bears don't  
live in the jungle. Bears live in  
the forest.'

Squawk, squawk, squawk!

'What animal makes that sound?' Mary asked.

'An animal that lives in the jungle!' Aunt Peggy  
said.

'Is it a frog? Oh no! Look! It's a parrot!'  
Cliff and Mary said.

'The parrot is making ALL the sounds!'  
Aunt Peggy said.

'Hahaha!' Cliff and Mary were amazed.
