The right HOBBY for you

I often play video games, but I don't spend all my free time playing online. I also write a blog about new video games every month. I enjoy blogging because I love writing and the blog

gives me the chance to share what I write. It's also great to read the comments that people leave on my blog. They say they are better players after they read it. It's nice to know that they're learning something from my hobby.

Kareem

Hobbies help you to make friends. Just think about what you usually like doing. Do you prefer big or small groups? Outdoor or indoor activities? I like being outdoors with other people and I enjoy taking photos inside interesting buildings or outdoors of nature. This year, I wanted to meet new people, so when I got a new camera I became a member of a photography club. We meet every Thursday evening to discuss new ideas and post our photos online.

It's simple to choose the right hobby.
