## Evergreen and Deciduous Trees

Look at the tables, chairs, books, and pencils around your classroom! They all come from trees! Let's learn more about them!

There are two types of trees—**evergreen** Trees and **deciduous** Trees.

### Evergreen Trees

Their **leaves** are always green.

They have **narrow** leaves.

They have leaves all through the year.

### Deciduous Trees

They have **broad** leaves.

Their leaves **change color** in the fall from green to red, orange, or brown!

They lose their leaves in the fall or winter.

**Did You Know?**

Trees help clean the air.
