2

Give your opinion. Talk to a friend.

I think spiders are more frightening than snakes.

I think snakes are more frightening than spiders.

3

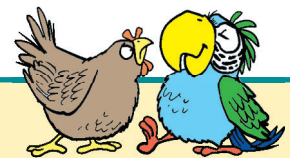

Grammar Workout

Write the words in the correct order.

chickens more than Parrots are colorful

_____.

Listen and read.

OZZIE'S ANIMALS

Wendy: Today we're in **Australia** and we're going to talk to Ozzie about some animals. So Ozzie, you have some unusual animals here in Australia.

Ozzie: Yes, we do. **Koalas** and **kangaroos** are popular animals.

Wendy: I love koalas. They're cute.

Ozzie: Everybody loves koalas, but they aren't very intelligent.

Wendy: Are kangaroos intelligent?

Ozzie: Yes, they are. They're more intelligent than koalas and they're more powerful. They have strong legs and a powerful tail. They can jump 50 kilometers in an hour!

Wendy: Wow! What's this animal? Is it a bird?

Ozzie: Oh! It's a **platypus** and it's endangered. It's more unusual than a koala. It has a **beak** and it lays eggs, but it isn't a bird, it's a mammal.

Wendy: That's **amazing!**

AMAZING FACT!

Platypuses are mammals, but they lay eggs!

2 Read the text again. Write Ozzie's answers.

1. Which animals are popular? Koalas and kangaroos are popular
2. Which animals are more intelligent than koalas? _____
3. Are kangaroos powerful animals? _____
4. Which animal is more unusual than a koala? _____
5. Does the platypus have a nose? _____
6. Is it a bird? _____

3 Twist and Shout

Act it out. Act out an interview with Ozzie.

So Ozzie, which animals are popular in Australia?

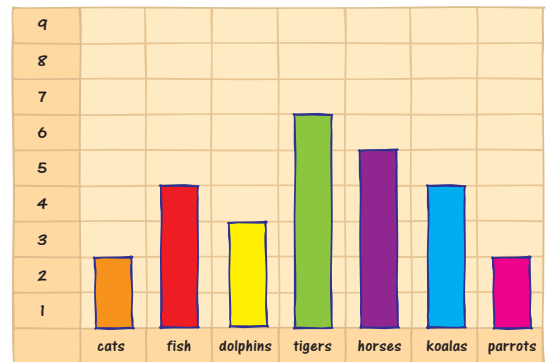

Koalas and kangaroos are popular.

1 Say which animal you like. Do a class survey. Then make a bar chart.

9							
8							
7							
6							
5							
4							
3							
2							
1							
	cats	fish	dolphins	tigers	horses	koalas	parrots

2  Write your results.

In our class _____ children like cats. _____

In our class 2 children like cats.
4 children like fish. 3 children like dolphins. 6 children like tigers...

3 Talk to a friend. Compare your favorite animals.

I like horses. They're beautiful, intelligent and powerful.

I like koalas. They're cuter than horses and they're more unusual.

Unit 3 Lesson 5

Listen to the song. Circle the animal. Then write its name.

Who Am I?
 I'm not as colorful as a parrot,
 But my name begins with **p**.
 I'm not as powerful as an elephant,
 But my second letter's **e**.

Who am I?
 Can you guess?
 Who am I?
 Who am I?

Who Am I?
 I'm not as smart as a dolphin.
 I can swim, but I can't fly.
 My third letter's **n**,
 Then there's **g, u** and **i**.

Chorus
 I'm not as frightening as a lion,
 But my name ends in **n**.
 I'm not as large as a panda,
 But I'm black and white like them.
 I'm a _____.

2 Read the sentences. Rewrite them using **aren't**.

1. Butterflies are more colorful than spiders.

Spiders aren't as colorful as butterflies _____.

2. Monkeys are more intelligent than koalas.

_____.

hamsters cuter snakes more popular more dangerous aren't as unusual as more expensive more colorful

3 Choose a pet. Make an advertisement.

PET SPIDERS FOR SALE

Spiders are smaller than dogs and they're cleaner. They aren't as popular as dogs, but they're cheaper. They aren't as cute as rabbits, but they're more unusual.

Listen and read. Then circle the best title.

Dangerous World

Mammals

Jungle Animals

The giant panda and the mountain gorilla are endangered.

There are lots of amazing animals all over the world: koalas in Australia, lions in Africa, parrots in South America. There are mammals, birds, fish and insects. All animals are important. They make our world more interesting. But the world is dangerous for some animals. People are making bigger towns and longer roads. Jungles and forests are smaller. People don't think about the animals. The giant panda and the mountain gorilla are endangered. They don't have homes so they can't live.

2

Your shout

Draw a face after each sentence to show how you feel.

happy

sad

angry

not sure

1. There are some amazing animals in our world.
2. The world is dangerous for these animals.
3. People are making bigger towns and longer roads.
4. People don't think about the animals.
5. The animals don't have homes so they can't live.

3

Work out the code. Write the message in the banner.
