How to Play:
Student A: Scatter the cards face down. Then choose a card.
Student B: Look at the chart. Ask questions to guess what your partner has chosen.
Student A: Answer Student B’s questions.
Student B: Continue until you have guessed the object and what it is made of.
Then change roles and choose a new card.

Example:
Student A: What’s my picture?
Student B: Is it made of gold?
Student A: Yes, it is.
Student B: Is it a crown?
Student A: No, it isn’t.
What's It Made Of?

Gold
Wood
Cloth
Leather
Paper
Plastic
Wool
Clay

How to Play:
Student A: Scatter the cards face down. Then choose a card.
Student B: Look at the chart. Ask questions to guess what your partner has chosen.
Student A: Answer Student B’s questions.
Student B: Continue until you have guessed the object and what it is made of.
Then change roles and choose a new card.

Example:
Student A: What’s my picture?
Student B: Is it made of gold?
Student A: Yes, it is.

Student A: No, it isn’t.
Unit 4 Lesson 6
Look! Feel! Taste! Smell!

words:
- smells like
- tastes like
- feels like
- looks like

- soft
- delicious
- cheap
- beautiful
- sour
- sweet
- horrible
- expensive
- hard

How to Play:
Students A and B: Scatter all the cards face down on the table.
Student A: Turn over a card and make the question or sentence.
Student B: Turn over a card and make the question or sentence.
Students A and B: If you have a question and answer that match, leave them face up. If they don't match, put the cards face down. Continue until you match all of the cards.

Example:
Student A: What does the bread smell like?
Student B: It smells delicious.
