*Macmillan English Grammar in Context* is a grammar practice and reference book that takes teenagers from the traditional practice of grammar through to topic-based, contextualised practice exercises. It offers a wide range of topics to reflect both everyday language use and the kinds of subjects learners are studying in school.

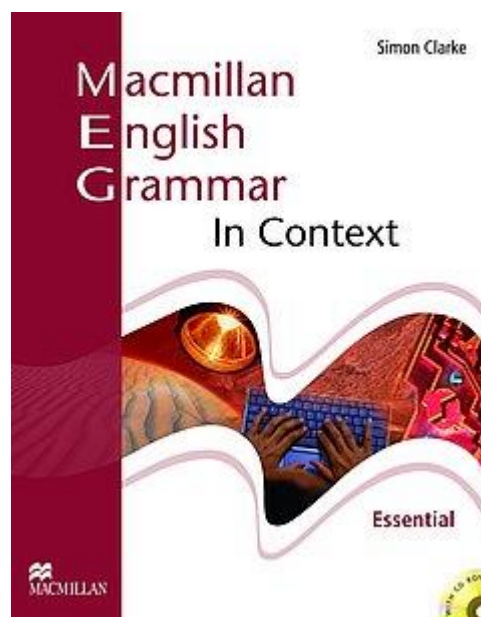

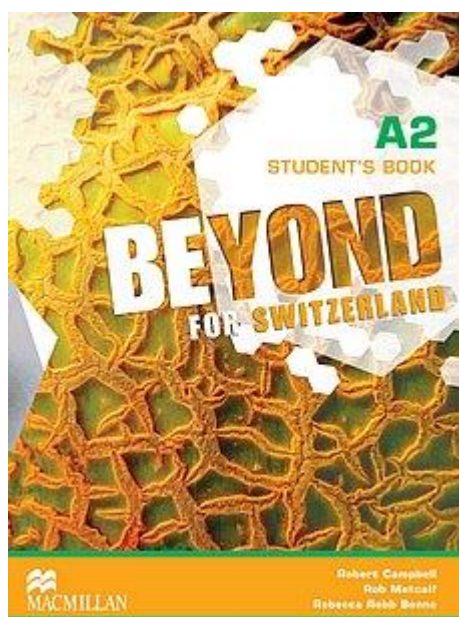

The *Essential* level (CEF A1/A2/B1) is designed to revise and consolidate key grammatical structures and therefore can accompany students over their 3 years of lower-secondary education in Switzerland.

Key features:

- Clear, conventional presentation and explanation of grammar points
- Well-known exercise types range in difficulty to build students confidence as they move from straightforward activities to more challenging ones.
- Contextual practice activities include cross-curricular content areas such as literature, science, geography, history and social science.
- Grammar index and Wordlist for easy use
- Ideal for self-study or classroom use

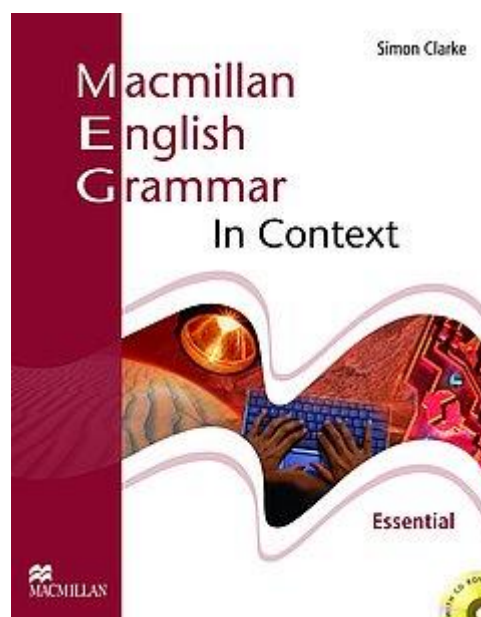

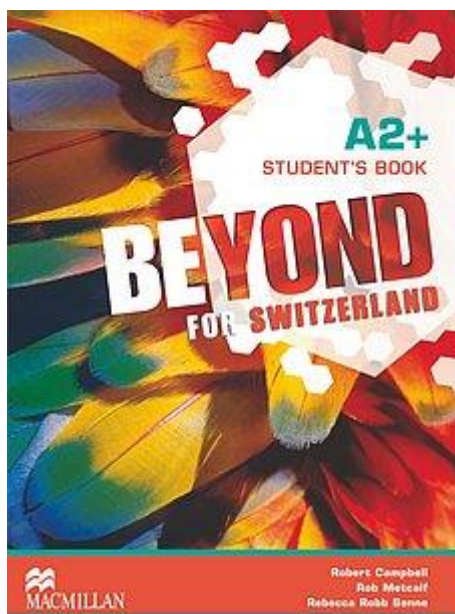

The following syllabus mapping should help you integrating *Macmillan English Grammar in Context* into your English course with *Beyond for Switzerland*.
