3 _____ (noun) you wear this around your neck and on your hands

4 _____ (noun) face hair under your nose

5 _____ (noun) you wear this to hide your face

C ★★ Read and complete.

Hi Aunt Helen,
I went to an awesome art class yesterday. Mr. Pocassi showed us how to make things from a box of old paper and broken pottery. Lizzy made some jewelry to wear around her neck. Jake made a robot with curly hair from an old orange juice carton. Erin did a drawing of some flowers on the back of an old box. I made a mask of Mr. Pocassi with red paint for his curly hair and beard.

D ★★ Read and find the differences. Then complete the table.

I made a model of our apartment building! I made it because there are some things I want to change! The ground around the building is very hard. We can't play games. In my model, there is some soft grass. It's better—we can have picnics on it. Also, the garden behind the building is very messy now. In my model, the garden is clean with a lot of flowers. In my model, the walls are thicker because some people are noisy. My model building is very quiet. I want to live in my model building!
